

The Broome Civic Centre is a bare-wall hire. All bookings open to the public, larger events, or events that have alcohol will need to have a facility member present and will be added to your cost estimate.

All bookings require the presence of a Broome Civic Centre Facility Assistant, and this service incurs an additional cost. The Facility Assistant's role is to ensure your event runs smoothly, serving as your primary point of contact for any issues that may arise. If you have specific tasks for the assistant, please notify us in advance so we can prepare our staff accordingly. Subject to availability, we can also provide an Approved Manager to supervise bar operations. Please enquire for further details.

All bookings with alcohol will need to have a Shire-approved security guards/s present which will organised by the venue and added to your cost estimate.

It is the hirer's responsibility to ensure they have adequate staffing for your event. The Civic Centre can provide staffing to help with the event operations at an additional cost and is subject to availability.

If you require facility staff to assist with set up and pack down of your event, we can add this to your booking at any additional charge. Staffing is subject to availability.
